DMS Command ▶ Center *Mobile*

As an Executive in today's challenging business climate, keeping your fingers on the minute-to-minute pulse of your business, no matter where you are, can make the difference in spotting trends & problems and fixing them before they become out-of-control disasters!

Command Center Mobile™ keeps you in control day and night, at work or at home, or travelling for business or pleasure without requiring access to a PC or Laptop.

By using the amazing capabilities of today's Smart Phones like the Apple iPhone, Android, BlackBerry and Windows based phones, you can stay in touch with your business without phone calls, text messages, or emails !
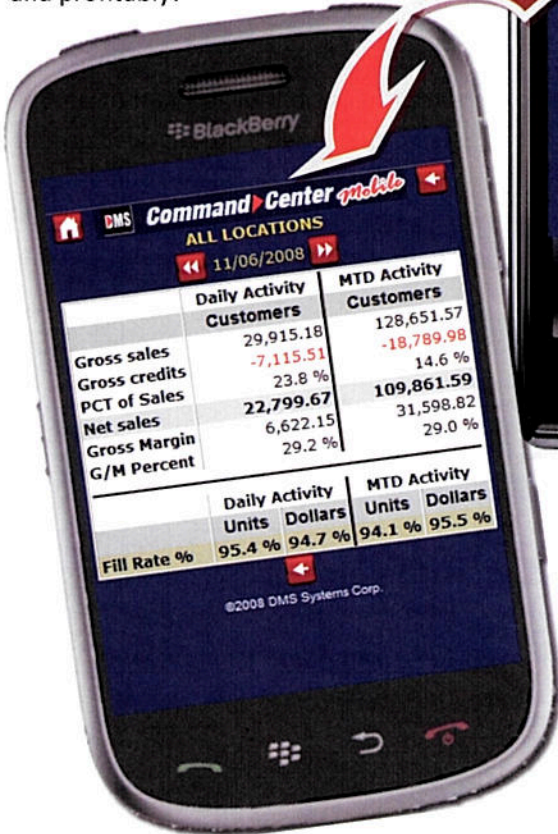

Just 'click' the *Command Center Mobile* icon on your phone and almost instantly get the information you need to keep your business running smoothly and profitably!

Apple iPhone

Android Phones

BlackBerry

Command Center Mobile features:

▶ Up-to-the-minute **Orders**, **Billings** and **Cash** positions.

▶ Ability to "drill-down" for more detailed information by day, month and year.

DMS *Store ▶ Center*

DX Store-Center™ is a special **Business Intelligence Dashboard** designed specifically for Store and Branch Warehouse Managers that provides them with a real-time information tool for managing their business location. The easy-to-use *Store-Center Dashboard* aggregates all DMS' DX Applications and KPI's in one simple-to- use drill-down Dashboard.

Key DX System applications included are:

- ▶ **Sales** - shows Daily, MTD, and YTD sales by Department with margin & fill-rate analysis
- ▶ **Inventory** - provides line, sub-line, and pop-code financial analysis of location inventories
- ▶ **Employees** - performance analytics of Countermen, Outside Salesmen and Delivery Drivers
- ▶ **Customers/CRM** – instant analysis of customers with their notes, purchases, AR, and returns
- ▶ *Qwik-Track* – Delivery Tracking and Customer Signature Capture with real-time status of drivers
- ▶ **Lost Sales** – breakdown by item, customer, and value of lost sale opportunities
- ▶ *DX-Web™* – browser-based Store Management POS & Catalog solution with PCI Credit Cards
